RESOLUTION ADOPTING 18 2019 PROP K 5-YEAR PRIORITIZATION PROGRAMS (5YPPS), AMENDING 16 2014 PROP K 5YPPS, APPROVING A FUND EXCHANGE AND AMENDING THE 2017 PROP AA STRATEGIC PLAN TO PROVIDE $2,064,919 TO THE BUS STOP ENHANCEMENT PROJECT, AND APPROVING TWO PROP K FUND EXCHANGES TO HELP BACKFILL THE REGIONAL IMPROVEMENT PROGRAM SHORTFALL FOR THE CENTRAL SUBWAY

WHEREAS, The voter-approved Prop K Expenditure Plan describes the types of projects that are eligible for funds, including both specific projects and programmatic categories, establishes limits on sales tax funding by Expenditure Plan line item, and sets expectations for leveraging of sales tax funds to fully fund the Expenditure Plan programs and projects; and

WHEREAS, The Expenditure Plan establishes a number of requirements including development of a Strategic Plan, the financial planning tool for the 30-year Expenditure Plan, and for each of the Prop K programmatic categories it requires Transportation Authority Board approval of a 5-Year Prioritization Program or 5YPP as a prerequisite for allocation of funds; and

WHEREAS, The purpose of the 5YPPs is to establish a clear set of criteria for prioritizing projects within each Prop K category, improve inter-agency coordination at the earlier stages of the planning process, and allow public input early and throughout the project development process; and

WHEREAS, Each 5YPP includes a prioritization methodology to rank projects within the program; a 5-year project list with information on scope, schedule, cost and funding (including leveraging of non-Prop K funds); a project delivery snapshot showing completed and underway projects from the prior 5YPP periods; and performance measures; and

WHEREAS, 5YPPs are updated every five years in coordination with Strategic Plan updates;
and

WHEREAS, The 2019 5YPPs, covering Fiscal Years 2019/20 through 2023/24 will be the third update of the 5YPPs since they were first adopted in 2005; and

WHEREAS, Through approval of Resolution 18-52, the Transportation Authority identified a lead agency to guide the development of each 5YPP in coordination with Transportation Authority staff and all other eligible Prop K sponsors; and

WHEREAS, The 5YPPs were developed through an iterative process working with all the eligible Prop K project sponsors and drawing upon planning efforts such as the San Francisco Transportation Plan and the San Francisco Municipal Transportation Agency’s Capital Improvement Program, city and regional initiatives (e.g. Vision Zero) and input from the Transportation Authority Board and Citizens Advisory Committee, and public outreach; and

WHEREAS, The Transportation Authority adopted ten 2019 Prop K 5YPPs on October 23, 2018 by Resolution 19-15; and

WHEREAS, With the support of eligible project sponsors, Transportation Authority staff is recommending approval of the remaining 2019 Prop K 5YPPs listed in Attachment 1 and provided as enclosures to this resolution; and

WHEREAS, As part of the 2019 5YPP development process, Transportation Authority staff worked closely with sponsors to update Prop K funding needs for Fiscal Year 2018/19, the final fiscal year of the 2014 5YPP period, which has resulted in the need for amendments to many of the 2014 5YPPs to push out funding for projects that have been delayed, advance funds for projects that plan to proceed sooner than anticipated, and/or to reprogram unallocated funds to new projects in Fiscal Year 2018/19; and

WHEREAS, Staff is recommending amendment of 16 2014 5YPPs concurrent with the
approval of the corresponding 2019 5YPP as shown in Attachment 1 and detailed in the enclosed
2019 5YPPs; and

WHEREAS, The SFMTA proposed $2,064,919 in Bus Rapid Transit/Transit Preferential
Streets/Muni Metro Network category funds in the 2019 5YPP Update for the Bus Stop
Enhancement Project, however, the project is not eligible for that category; and

WHEREAS, To enable the project to advance, staff is recommending amendment of the 2017
Prop AA Strategic Plan to reprogram $2,064,919 in Transit Reliability and Mobility Improvement
category funds from Geary BRT to the Bus Stop Enhancement Project and keeping Geary BRT whole
by providing it with an equivalent amount of additional Prop K funds as shown in Enclosure 1; and

WHEREAS, SFMTA has been working with the Metropolitan Transportation Commission
(MTC) and the Transportation Authority to explore the possibility of accelerating procurement of 151
replacement light rail vehicles, as well as filling a funding gap that exists whether the procurement is
accelerated or not; and

WHEREAS, To support the potential accelerated procurement of the light rail vehicles, staff
is recommending programming an additional $34.9 million in Prop K funds from the Vehicles-Muni
category and advancing cash flow in the Vehicles-Muni and Vehicles-Discretionary categories as part
of approval of the corresponding 5YPPs, subject to the conditions shown in Attachment 2; and

WHEREAS, The Transportation Authority has a long-standing commitment of Regional
Improvement Program (RIP) funds to the Central Subway project, however, sufficient RIP funds are
not anticipated to be available in time to meet the project’s cash flow needs; and

WHEREAS, Staff from the Transportation Authority, MTC and SFMTA have developed a
funding plan to backfill $61.75 million in remaining RIP funds, including a $21 million contribution
from the Transportation Authority, as shown in Attachment 3; and
WHEREAS, Staff is recommending two Prop K fund exchanges to cover the Transportation Authority’s contribution toward the RIP shortfall, as shown in Attachment 4; and

WHEREAS, At its October 24, 2018, meeting, the Citizens Advisory Committee reviewed and adopted a motion of support for the staff recommendation to adopt the 18 2019 Prop K 5YPPs and amend 16 2014 5YPPs as shown in Attachment 1, to approve a fund exchange and amend the 2017 Prop AA Strategic Plan to provide $2,064,919 to the Bus Stop Enhancement Project, as shown in Enclosure 1, and approve two Prop K fund exchanges to help backfill the RIP shortfall for the Central Subway as shown in Attachments 3 and 4; and now, therefore, be it

RESOLVED, That the Transportation Authority hereby adopts the enclosed 2019 Prop K 5YPPs; and be it further

RESOLVED, That the Transportation Authority hereby amends the six 2014 Prop K 5YPPs listed in Attachment 1 as detailed in the relevant 2019 5YPPs; and be it further

RESOLVED, That the Transportation Authority hereby amends the 2017 Prop AA Strategic Plan to reprogram $2,064,919 in Transit Reliability and Mobility Improvement category funds from Geary BRT to the Bus Stop Enhancement Project, as shown in Enclosure 1; and be it further

RESOLVED, That the Transportation Authority hereby approves the two Prop K fund exchanges to help backfill the RIP shortfall for the Central Subway as shown in Attachments 3 and 4, reducing the Transportation Authority’s remaining RIP commitment to the Central Subway from $61.75 million to $40.75 million.

*Categories marked with an asterisk require a concurrent amendment to the 2014 5YPP with the adoption of the 2019 5YPP.
1 EP No. stands for Expenditure Plan category number.

2 The lead agency role is a coordinator or convener role among eligible project sponsors for that category and other interested agencies and stakeholders. It does not confer veto power. Agency acronyms include: BART (Bay Area Rapid Transit District), SFPW (Department of Public Works), PCJPB (Peninsula Corridor Joint Powers Board or Caltrain), PORT (Port of San Francisco), SFCTA (San Francisco County Transportation Authority), and SFMTA (San Francisco Municipal Transportation Agency).

**Figure 1: Original vs. Accelerated Replacement Schedule**

**Proposed Conditions for Allocation of Prop K Funds for the 151 Replacement LRVs**

1. SFMTA may not give notice to proceed on procurement of the 151 replacement vehicles prior to allocation of additional Prop K funds (up to $62.7 million);

2. As a prerequisite to allocation of additional Prop K funds, SFMTA shall present to the SFMTA Board and Transportation Authority CAC and Board the proposed schedule, cost and funding plan, including any associated financing costs, along with an updated cost benefit analysis of early retirement of the LRVs;

3. Allocation of additional Prop K funds will be conditioned upon SFMTA and MTC providing evidence that all their respective funds are committed to the project.

### Revised SFCTA Remaining RTIP Commitment to Central Subway:

$40,750,000

---

³Metropolitan Transportation Commission (MTC), San Francisco County Transportation Authority (SFCTA), and San Francisco Municipal Transportation Agency (SFMTA) staff worked collaboratively to develop this proposed funding plan. Several of the proposed sources will require Board/Commission approval or other actions before funds would be committed to the project.

²Following adoption of the 2018 STIP, the SFCTA's remaining RIP commitment to Central Subway was $61,750,000. With the passage of Senate Bill 1, we are receiving about $13 million in RIP funds every two years.

³The proposed federal transit funds can be made available to the Central Subway via a fund exchange with an eligible SFMTA fixed guideway project or project(s) to be identified, subject to MTC Commission approval. Ranges account for uncertainty in fund availability by source.

⁴The two proposed Prop K fund exchanges to help backfill the Central Subway RIP commitment are part of the recommended actions at the November 2018 SFCTA Board meetings.

1 Based on Transportation Authority Board-adopted priorities (Resolution 14-25, Approved October 22, 2013).

2 Acronyms include California Transportation Commission (CTC), Congestion Mitigation and Air Quality (CMAQ), Metropolitan Transportation Commission (MTC), San Francisco County Transportation Authority (SFCTA), San Francisco Municipal Transportation Agency (SFMTA), and Surface Transportation Program (STP).

3 Central Subway is currently the SFCTA’s highest priority for future RIP funds. Since the RIP funds were unavailable when SFMTA was awarding the construction contracts, we are honoring this commitment by programming new RIP funds when they become available to other SFMTA eligible projects to comply with CTC guidelines or by programming other SFCTA funds to Central Subway. Staff is proposing two fund exchanges, that along with $964,968 in de-obligations from prior fund exchanges in the Prop K Central Subway category, will direct a total of $21,000,000 toward the remaining Central Subway RTIP Commitment.

- The first exchange is a dollar-for-dollar exchange of $15.98 million in federal One Bay Area Grant 2 (STP/CMAQ) funds from the Better Market Street project with Prop K funds from the Guideways-discretionary category. This fund exchange requires concurrence by the MTC.

- The second fund exchange is a dollar-for-dollar exchange of $4,055,032 in FY 2019/20 SFMTA Prop B Population Set Aside funds programmed to the L Taraval Transit Improvements project with an equivalent amount of funds from the Prop K Guideways-discretionary category.

4 Through Resolution 12-44, the SFCTA accepted MTC’s proposed advance of $34 million in STP/CMAQ funds for Presidio Parkway to be repaid with future county share RIP funds. Repayment of the advance, i.e. by programming $34 million in RIP funds to a project or projects of MTC’s choice, is the second priority after the Central Subway.
