TAXI DRIVER TRAININGS

Kate Toran
Director, Taxis and Accessible Services
Kate.Toran@sfmta.com
TAXI SERVICES MISSION

• To promote a vibrant taxi industry through intelligent regulation, enforcement and partnership. We champion:
  • Public Safety
  • Outstanding Customer Service
  • Accessibility
  • Economic and Environmental Sustainability
• Approximately 9,000 permitted taxi drivers in SF
• All new drivers must complete a 40-hour taxi training program that includes:
  - Geography
  - Disability Sensitivity
  - Safe Driving
• SFMTA provides a one-day course that includes:
  - Regulations
  - Paratransit
  - Disability Sensitivity
  - Sharing the Road with Bicyclists
  - Vision Zero
INTEGRATING TAXIS AND VISION ZERO

• VZ focus in new taxi driver safety training
• All drivers to take online refresher course as part of permit renewal process (FY17 anticipated implementation)
MUNI DRIVER TRAININGS

Ken Anderson
Manager of Training and Instruction
Kenneth.Anderson@sfmta.com
New Operators are trained on 40-foot motor coaches,

- Training derived from requirements of the FTA, CHP, and DMV.
- Program is 9 weeks and consist of the following elements:
  - Pre-Trip Inspection Training
  - Skills Training
  - Road Training
  - Classroom Training

Additionally, Rail Operators have undergone this training already but have spent at least 5 years before moving to our rail system.

- Trained for and additional 55 days (similar program format)
State mandated training for both Rail and Rubber Tire Operators:

- Verification of Transit Training
- Incident/Collision Prevention
- Refresher Training for Rail Operators (per CPUC General Order 143 B)
- Equipment & Infrastructure Training
  - Operators who shift assignments and change Divisions
- Return to Work
  - Operators who have been away from the system for an extended period of time.
- Special Circumstances
  - As an Example: Cable car
THANK YOU!
VISION ZERO SF

It’s a citywide effort. Are you in?
THANK YOU!
